

Program Overview

Clinical Toxicology Concentration

Congratulations on your acceptance to the Master of Science in Pharmacy with a concentration in Clinical Toxicology! As a new student we expect that you are eager to begin mapping out your journey. Use this document and the planning tool to do just that!

Please read all the requirements below that you must follow on the road to graduation. If you have questions about course content or course order, contact your academic advisor, Dr. Oliver Grundmann, at grundman@ufl.edu. If you have questions about registration, admission, or anything else, contact dess@ahc.ufl.edu.
